Confirm credit card

You can remove sending limits by confirming that you own this card. Here's how:

1) We'll make a small charge to your card.

2) Check your card statement in a day or two for the 4-digit code associated with the charge.

3) Log in to PayPal, go to your Wallet and confirm the card by entering the 4-digits code. The charges will be refunded to your card.

If you can't check your statement online, look for the charge when it arrives in the mail and follow the same steps. Thanks!
